The Company

Royal HaskoningDHV (RHDHV) is a leading independent, international project management, engineering and consultancy service provider with roots established in the Netherlands (HQ), the United Kingdom and South Africa. Ranking globally in the top 10 of independently owned, non-listed companies and top 40 overall, the company's 8,000 staff provide services across the world from more than 100 offices in over 35 countries. We specialize in industry, energy and mining, infrastructure, maritime and waterways, aviation, buildings, planning and strategy, rivers, deltas and coasts, and water technology. A first choice consultancy for major world challenges, our experts provide sustainable and pragmatic solutions for pit-to-port, food security and water scarcity, the development of mega-cities, sustainable infrastructure and energy resources.

Active in Vietnam since 1985 and established in 1993, HaskoningDHV Vietnam is a 100% foreign invested company of Royal HaskoningDHV and recognized as one of the most prominent leading engineering and consultancy firms with a unique track record of key projects in Vietnam and SE Asia. With offices in Ho Chi Minh City and Hanoi and nearly 200 employees, HaskoningDHV Vietnam has carried out numerous projects for the private and public sector, comprising the full scope of engineering and consultancy services for Industrial projects, Maritime & Waterways, Water Management and Real Estate projects. Our services include Feasibility Studies, Master Planning, Process Design, Engineering, Project and Construction Management, and HSE Management.

Besides Vietnam, we have projects ongoing in Cambodia, Laos, Malaysia, Myanmar, other countries in SE Asia, and we are involved in projects in Africa. We actively collaborate with our other offices in the region in Thailand, Indonesia, Malaysia, Myanmar, Cambodia and the Philippines.
